

Available courses, summer semester 2025/2026

Code	Course
IS-FCEE-00070S	Basics of traffic engineering
IS-FCEE-00021S	Biochemistry
IS-FCEE-00135S	Biochemistry of proteins
IS-FF-00038-1S	Biodiversity conservation of forest areas
IS-FCEE-00072-1S	Biotechnology
IS-FCEE-00147S	Civil engineering materials
IS-FCEE-00052S	Computational and statistical methods
IS-FF-00046S	Environmental protection with elements of toxicology
IS-FCEE-00040S	Facilities for wastewater treatment
IS-FCEE-00043-1S	Foundation
IS-FCEE-00146-1S	Heat and mass transfer
IS-FCEE-00167S	Hydraulics and hydrology
IS-FCEE-00217S	Maintenance and assessment of the technical conditions of buildings
IS-FCEE-00202S	Microbiology and mycology in food industry
IS-FCEE-00024-1S	Nature conservation
IS-FCEE-00259S	Plant tissue culture
IS-FCEE-00230S	Revitalization of urban areas
IS-FCEE-00003S	Structural mechanics
IS-FCEE-00229S	Urban design 1
IS-FCEE-00037-1S	Waste Management
IS-FCEE-00041S	Water technology
IS-FCEE-00173-1S	Complex metal structures
IS-FCEE-00011S	Prestressed concrete structures

IS-FCEE-00228S	Strengthening of building structures Group is closed (maximum number of people in the group reached)
