

Not available courses, summer semester 2025/2026

Code	Course	Alternative
IS-FCEE-00108S	Air conditioning and ventilation (HVAC 2)	
IS-FCEE-00227S	Analytical chemistry	
IS-FCEE-00236S	Audit of public space accessibility	Revitalization of urban areas/ Urban design 1
IS-FCEE-00261S	Basics of sewerage systems	Facilities for wastewater treatment/ Water technology
IS-FCEE-00182S	Computational methods	Computational and statistical methods
IS-FCEE-00150S	Engineering geology and petrography	
IS-FF-00025S	Forest applied botany	Environmental protection with elements of toxicology
IS-FF-00043S	Forest mushrooms in medicine	Microbiology and mycology in food industry
IS-FF-00036S	Forest pathology	Environmental protection with elements of toxicology
IS-FCEE-00231S	History of Architecture (HES)	Revitalization of urban areas/ Urban design 1
IS-FCEE-00233S	History of urban planning (HES)	Revitalization of urban areas/ Urban design 1
IS-FCEE-00269S	Hydrology for Environmental Engineers	Hydraulics and hydrology
IS-FF-00042S	Invasive species in the forest areas	Environmental protection with elements of toxicology
IS-FCEE-00026S	Land rehabilitation	Nature conservation
IS-FCEE-00111-1S	Monolithic construction	Complex metal structures
IS-FCEE-00039S	Municipal and industrial wastewater treatment	Facilities for wastewater treatment
IS-FCEE-00073S	Natura 2000 european ecological network	Nature conservation
IS-FCEE-00266S	Pumps and Pumping Systems	
IS-FCEE-00211S	Reliability of environmental engineering systems	Facilities for wastewater treatment
IS-FCEE-00090S	Technology of building products	
IS-FCEE-00141S	Theoretical mechanics	Structural mechanics
IS-FCEE-00214S	Waste recycling solutions	Facilities for wastewater treatment/ Waste Management
IS-FCEE-00260S	Water treatment systems for industrial purposes	Waste Management/ Water technology
